

Kerala Science Congress - Over 33 years

Sl. No	Date & Year	Venue	President of KSC	Focal Theme
1.	February 26-28 1989	Cochin	Prof. N. Balakrishnan Nair	Natural Resources & Industrial Development of Kerala
2.	February 23-25 1990	Thiruvananthapuram	Prof. N. Balakrishnan Nair	Science & Technology and Micro Level Planning
3.	February 28-March 3 1991	Kozhikode	Prof. N. Balakrishnan	Science & Technology For Rural Development
4.	February 27-28 1992	Thrissur	Prof. C. G. Ramachandran Nair	Science, Technology & Sustainable Development
5.	Jan. 28-30, 1993	Kottayam	Dr.R.RaviKumar	Science, Technology and Productivity
6.	Jan. 27-29, 1994	Thiruvananthapuram	Dr.R.RaviKumar	Science, technology and Self - reliance
7.	Jan 27-28 1995	Palakkad	Dr. P. K. Iyengar	Biotechnology For Development
8.	January 27-29, 1996	Cochin	Dr. P. K. Iyengar	Biodiversity and Tropical Forests-The Kerala Scenario
9.	January 27-29, 1997	Thiruvananthapuram	Dr. P. K. Iyengar	Biodiversity and Tropical Forests
10.	Jan. 2-4, 1998	Kozhikode	Dr. A.D. Damodaran	Water Scenario of Kerala
11.	February 27-March 01, 1999	Kasaragod	Dr. M.R. Das	Plantation Crops of Kerala
12.	Jan. 27-29, 2000	Idukki	Dr. M.R. Das	Health For Weaker Sections and Disabled
13.	January 29-31, 2001	Thrissur	Dr. M.R. Das	Information Technology For Development —A millennium Perspective
14.	January 29-31, 2002	Kochi	Dr. M.R. Das	Wetland Conservation and Management in Kerala
15.	January 29-31, 2003	Thiruvananthapuram	Dr. M.S. Valiathan	Human Resource Development For Science and Technology
16.	January 29-31, 2004	Kozhikode	Dr. M.S. Valiathan	Traditional and appropriate technologies for the development of Kerala
17.	January 29-31, 2005	Thrissur	Dr.A.E.Muthunayagam	Medicinal Plants of Kerala: Conservation and Beneficiation
18.	January 29-31, 2006	Thiruvananthapuram	Dr.A.E.Muthunayagam	Natural Hazards and Management Strategies
19.	Jan. 29-31, 2007	Kannur	Dr.A.E.Muthunayagam	Paddy Cultivation in Kerala
20.	January 28-31, 2008	Thiruvananthapuram	Dr. E. P. Yesodharan	Kerala's Health Challenges- Emerging and Re-emerging Infections
21.	January 28-31, 2009	Kollam	Dr. E. P. Yesodharan	Role of science and

Kerala Science Congress - Over 33 years

				technology in the industrial development of Kerala
22.	January 28-31, 2010	Thrissur	Dr. E. P. Yesodharan	Intellectual property rights & development: A National Perspective
23.	January 29-31, 2011	Thiruvananthapuram	Dr. C.T.S. Nair	Science and Technology for Transforming Kerala as a Green Economy
24.	January 29-31, 2012	Kottayam	Prof. V. N. Rajasekharan Pillai	Climate change: Plantation crops and spices of Kerala
25.	January 29-31, 2013	Thiruvananthapuram	Prof. V.N. Rajasekharan Pillai	Science Education and Research
26.	January 29-31, 2014	Wayanad	Prof. V. N. Rajasekharan Pillai	Traditional Knowledge
27.	January 27-29, 2015	Alappuzha	Shri. Mara Pandian IAS	Traditional Industries
28.	January 28-30, 2016	Kozhikode	Dr. Suresh Das	Climate change & its impact on Water Resources of Kerala
29.	January 28-30, 2017	Pathanamthitta	Dr. Suresh Das	Genomics in health and diseases
30.	January 28-30, 2018	Kannur	Dr. Suresh Das	Viruses and infectious diseases
31.	February 2-3, 2019	Kollam	--	Our Environment - Our Future - Science and Technology for Rebuilding Kerala.
32.	January 25-27	Palakkad	Prof. K.P. Sudheer	Science & Technology for Climate Change Resilience & Adaptation
33.	January 25-30	Thiruvananthapuram	Prof. K.P. Sudheer	Pandemics: Risks, Impact and Mitigation
