

Kerala Science Congress - Over 36 years

Sl. No	Date & Year	Venue	President of KSC	Focal Theme
1.	Feb 26-28, 1989	Kochi	Prof. N. Balakrishnan Nair	Natural Resources & Industrial Development of Kerala
2.	Feb 23-25, 1990	Thiruvananthapuram	Prof. N. Balakrishnan Nair	Science & Technology and Micro Level Planning
3.	Feb 28-Mar 3, 1991	Kozhikode	Prof. N. Balakrishnan	Science & Technology for Rural Development
4.	Feb 27-28 1992	Thrissur	Prof. C. G. Ramachandran Nair	Science, Technology & Sustainable Development
5.	Jan. 28-30, 1993	Kottayam	Dr. R. Ravi Kumar	Science, Technology and Productivity
6.	Jan. 27-29, 1994	Thiruvananthapuram	Dr. R. Ravi Kumar	Science, technology and Self -reliance
7.	Jan 27-28 1995	Palakkad	Dr. P. K. lyengar	Biotechnology for Development
8.	Jan 27-29, 1996	Cochin	Dr. P. K. lyengar	Biodiversity and Tropical Forests-The Kerala Scenario
9.	Jan 27-29, 1997	Thiruvananthapuram	Dr. P. K. lyengar	Biodiversity and Tropical Forests
10.	Jan. 2-4, 1998	Kozhikode	Dr. A.D. Damodaran	Water Scenario of Kerala
11.	Feb 27-Mar 01, 1999	Kasaragod	Dr. M.R. Das	Plantation Crops of Kerala
12.	Jan. 27-29, 2000	Idukki	Dr. M.R. Das	Health for Weaker Sections and Disabled
13.	Jan 29-31, 2001	Thrissur	Dr. M.R. Das	Information Technology for Development -A millennium Perspective
14.	Jan 29-31, 2002	Kochi	Dr. M.R. Das	Wetland Conservation and Management in Kerala
15.	Jan 29-31, 2003	Thiruvananthapuram	Dr. M.S. Valiathan	Human Resource Development for Science and Technology
16.	Jan 29-31, 2004	Kozhikode	Dr. M.S. Valiathan	Traditional and appropriate technologies for the development of Kerala
17.	Jan 29-31, 2005	Thrissur	Dr.A.E.Muthunayagam	Medicinal Plants of Kerala: Conservation and Beneficiation
18.	Jan 29-31, 2006	Thiruvananthapuram	Dr.A.E.Muthunayagam	Natural Hazards and Management Strategies
19.	Jan. 29-31, 2007	Kannur	Dr.A.E.Muthunayagam	Paddy Cultivation in Kerala

20.	Jan 28-31, 2008	Thiruvananthapuram	Dr. E. P. Yesodharan	Kerala's Health Challenges-Emerging and Re-emerging Infections
21.	Jan 28-31, 2009	Kollam	Dr. E. P. Yesodharan	Role of science and technology in the industrial development of Kerala
22	Jan 28-31, 2010	Thrissur	Dr. E. P. Yesodharan	Intellectual property rights & development: A National Perspective
23	Jan 29-31, 2011	Thiruvananthapuram	Dr. C.T.S. Nair	Science and Technology for Transforming Kerala as a Green Economy
24	Jan 29-31, 2012	Kottayam	Prof. V. N. Rajasekharan Pillai	Climate change: Plantation crops and spices of Kerala
25	Jan 29-31, 2013	Thiruvananthapuram	Prof. V.N. Rajasekharan Pillai	Science Education and Research
26	Jan 29-31, 2014	Wayanad	Prof. V. N. Rajasekharan Pillai	Traditional Knowledge
27	Jan 27-29, 2015	Alappuzha	Shri. Mara Pandian IAS	Traditional Industries
28	Jan 28-30, 2016	Kozhikode	Dr. Suresh Das	Climate change & its impact on Water Resources of Kerala
29	Jan 28-30, 2017	Pathanamthitta	Dr. Suresh Das	Genomics in health and diseases
30	Jan 28-30, 2018	Kannur	Dr. Suresh Das	Viruses and infectious diseases
31	Feb 2-3, 2019	Kollam	--	Our Environment - Our Future -Science and Technology for Rebuilding Kerala.
32	Jan 25-27, 2020	Palakkad	Prof. K.P. Sudheer	Science & Technology for Climate Change Resilience & Adaptation
33	Jan 25-30, 2021	Thiruvananthapuram	Prof. K.P. Sudheer	Pandemics: Risks, Impact and Mitigation
34	Feb 10- 12, 2022	Thiruvananthapuram	Prof. K.P. Sudheer	Science, Technology & Innovation for Transition to a Knowledge Economy
35	Feb 10-14, 2023	Idukki	Prof. K.P. Sudheer	Nanoscience and Nanotechnology for Human Welfare
36	Feb 8-11, 2024	Kasaragod	Prof. K.P. Sudheer	Transforming Kerala's Economy through One Health Approach
